

The 17th International Workshop on Biomaterials in Interface Science

Interface Summer Seminar 2022

Invited Speaker:

Hui-suk YUN (Korean Institute Materials Science)

Zhen XU (Michigan University)

Sangwoo LEE (Seoul National University)

Sponsored by Graduate School of Dentistry, Biomedical Engineering, Engineering,
Institute for Materials Research, Tohoku University

Tokyo Medical and Dental University

Global Institute for Materials Research Tohoku (GIMRT)

**Date
and
Time**

Aug. 24, 2022 (Wed.) 9:00 - 17:00

Hybrid Meeting (IMR and Online)

Topics

- ① Oral Health Care
- ② Biomaterial
- ③ Biomedical Engineering
- ④ Young investigators

Online registration

Please register by Aug.22 2022 (Mon.), Japan standard time.

※We will send the URL for participating in the seminar to all the applicants by the date of the seminar.
